Basic rule:

- *It is a special place where you cannot run without permission. Love and cherish nature.
- *Do not disturb the nature of the course, regardless of whether it is training or a race.
- *During training and races, ride so as not to disturb hikers.
- *Be careful about injuries and accidents during training and racing. Participate at your own risk.

Competition rules:

- *Comply with all laws and regulations and follow the rules of the competition and the instructions of the officials. In addition, in the event of injury or death due to some kind of accident during the competition (including during the holding of incidental events), I, my relatives, etc. will not hold any responsibility to the organizer and related parties. Furthermore, the management of personal belongings etc. during the competition (including during the holding of incidental events) is the responsibility of the participant.
- *I agree that my portrait, name, address, age, competition history, etc. will be used in all advertisements related to the Games, as well as news and information media, and accompanying printed materials and videos produced by the organizers and governing sports organizations. We consent to commercial use by information media. If the participant is under the age of 18, please apply with the consent of the parent or guardian.
- *Cancellation after application for personal reasons is not possible. Please note that the participation fee cannot be refunded in the event of reduction or cancellation due to natural disasters, incidents, accidents, etc.
- *Substitutions of players are not permitted.
- *Compete safely in accordance with the Tournament Guidebook and Rulebook.

Rules for XTERRA JAPAN Trail Run:

- *Wear trail running shoes

Since there are places where bamboo forests and rocks are exposed, it is prohibited to run barefoot or in shoes that expose bare feet such as sandals.

- *Use of stock poles

The use of stock poles is permitted, but please refrain from using them when there are many athletes, such as immediately after the start.

- *Carry essential equipment

- Bear bell, emergency seat, headlight
- Sufficient water
- Sufficient supplementary food
- First aid kit (adhesive plasters, bandages, disinfectants, pain relievers, etc.)
- Smartphone/mobile phone
