

43rd All-Japan Kaike Triathlon

Important Points for Consideration before Submission of Application:

Please carefully read, consider and agree to the following items before submitting your application for the 43rd All-Japan Kaike Triathlon.

1. The Kaike Triathlon will be conducted following local race rules based on Japan Triathlon Union (JTU) competition regulations. Participants should carefully read the “43rd All-Japan Kaike Triathlon Race Materials” that will be distributed prior to the race, and thoroughly understand the rules before participating in the race.

2. Following payment of race fees (and following race number issuance), fees are in principle non-refundable. Additionally, if the tournament organizer determines that the tournament cannot be held safely, it may be canceled.

However, in this case, competitor participation rights will be extended to the following year’s race (not transferable to other competitors).

3. A participant’s entry may be voided following notice of selection in the event that they engage in any actions that violate public order or reasonable standards of decency; or they are deemed ineligible to compete at the judgement of the race organizers.

4. Traffic will not be controlled during the race. Kaike Triathlon participants must follow all traffic rules when competing on public roads.

5. The use of a wetsuit will be optional in the swim leg of the race if the water temperature is above 22°C on the day of the competition. Participants will be obligated to wear a wetsuit if the water temperature is below 22°C.

6. In accordance with Road Traffic Law, bicycles are required to have a bicycle bell (warning device) installed.

7. Participants should train appropriately, have a health examination conducted, and take sufficient care to ensure that they are in good condition before competing.

8. Bicycle maintenance and safety measures are the responsibility of the individual competitors.

9. Damage compensation for accidents that occur during the race will be awarded within the coverage limits stipulated in the organizer's accident insurance policy.

10. Race organizers reserve the right to recommend or order a participant to withdraw from the race, irrespective of the wishes of the participant.

11. All images related to this triathlon shall remain the property of race organizers. (Organizers retain the right to use images in advertising materials.)

✂ Personal information received will be handled in compliance with laws and regulations applicable to the protection of personal data and will not be used without the consent of the individual other than for sending selection notices and information related to the triathlon.

12. In principle, the tournament organizers will not be liable for any accidents or problems that occur during the competition.
